DETAILED ACTION

Drawings

The drawings were received on 12 April 2006. These drawings are accepted.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 1, line 5, replace "among" with --from one of--.

Claim 1, line 6, replace "and" with --or--.

These changes are needed to set forth this claim limitation in proper alternative language.

The following is an examiner's statement of reasons for allowance:

The prior art of record did not disclose either a package having the claimed combination, or a package having the claimed outer laminate structure where a substitution of a disclosed inner package sheet with the material specifically disclosed in Schirmer et al. US 5,158,836 would be proper.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
